Fund for schools or public? Plan suit

'Bars do not a jail make'—but they certainly help

NEW GRANITE CITY JAIL. Two women's jail cells in the Granite City Police Department building, adjacent to the main fire station at 23rd Street and Madison Avenue, are shown Friday after having received a fresh coat of paint. Workers are in the process of finishing the new building, which is due to be

put into full use on June 4. Equipment is being moved from the old headquarters to the new. A ceremony is planned for Saturday, June 16, with national, state and local officials invited to join in the dedication.

Can Granite City Township federal revenue sharing funds be used to help install lights at the Fehling Road soccer-baseball fields (\$50,000) and to help provide more seating for greater use of gymnasium facilities on Maryville Road (\$20,000)?

It may depend on whether the expenditures are viewed as gifts to the South and North high schools of the Granite City school system, or whether they are allocations to citizen groups interested in fostering health and recreation.

But whatever the technicalities, Granite City First Ward Alderman Charles R. Douglas, a member of the Town Board, is against such use of the money and says he will go to court if necessary to block the plans. One of the most controversial of the 14 aldermen, he is a lawyer who often voices legal opinions in his council-related lawmaking comments.

Douglas has just obtained a state legal opinion on what the aldermen views as "the Granite City Township appropriation of \$70,000 as a gift to the

Early parole for Cooper is possible

John M. Cooper was sentenced Friday morning in federal court at Alton to a 15 year term in a federal prison and Leland Stoller, 41, was sentenced to three years in prison. Lee Stoller Enterprises, Inc., was fined \$10,000.

Cooper, former director of field operations for the Madison County sheriff department, and former Madison County Sheriff John Maeras were found guilty of 23 counts of a federal racketeering indictment.

Consideration of a motion to delay sentencing of Maeras was delayed until today in order for U. S. Judge J. Waldo

Ackerman to study evidence by Maeras's doctors and attorneys that the former sheriff is dying of cancer of the brain and lungs.

Cooper and Stoller were sentenced under a Class B provision which would allow the Federal Parole Commission to grant parole at anytime, even without them serving a day, according to a court spokesman.

Stoller was convicted of one count of racketeering and 18 counts of fraud.

Both men sentenced are free on a recognizance bond pending appeals to the Seventh Circuit, U.S. Court of

Missourians too negative—Shaw

The future is bright for the Illinois part of the St. Louis metropolitan area if the communities will work together in a common regional cause, according to Dr. Kenneth A. Shaw, president of Southern Illinois University at Edwardsville.

Speaking to the Metro-East Danforth Foundation Group on Thursday evening, Dr. Shaw cited five major reasons why the region has great promise, contingent on unification of its resources:

—An abundance of land, labor and capital.

—The cargo airport plan for the Columbia-Waterloo area.

—The Tri-City Regional Port in Granite City.

—The Lock and Dam 26 project at Alton; and

—Expansion by existing area industries.

Continue investigating woman's death in fire

EVIDENCE CONTAINER is marked by Granite City Detective Craig Nunn at the scene of the fatal fire which occurred Friday morning in a three-family residence at 2237-39 Delmar Ave. The body of Mrs. Mary Morris, 31, was found shortly after 5 a.m. by firemen. Firefighters responded to the call at 3:30 that morning. Mrs. Morris' daughter, Cindy, 12, was able to escape the upstairs blaze.

(Press-Record Photo)

About 90 minutes after a fire started in a three-family apartment building at 2237-39 Delmar Ave., the body of Mrs. Mary Morris, 31, was found in an upstairs apartment. An investigation of the blaze is continuing today.

Firefighters arrived at the scene at 3:30 a.m. Friday, after receiving a telephone call. Her body was discovered by fire department personnel at 5:10 a.m. Friday, lying on the floor in a bedroom, between the bed and a dresser. She was badly burned.

Madison County Deputy Coroner William Sternberg officially pronounced her dead at 5:23 a.m. Friday.

Mrs. Morris' daughter, Cindy, 12, heard an explosion and went to the stairs, but she could not get down them because of the fire in the stairwell.

MRS. MARY MORRIS

The girl, who reported smelling gasoline, then jumped from a second-story window to the ground.

A police officer took the youngster to St. Elizabeth Medical Center, where she was admitted.

Police attempted to reach Cindy's father, Warrant Officer First Class William Morris, through Fort Benjamin Harrison, Ind.

They learned Morris is stationed with the Headquarters Company at the U.S. Army Garrison, Arlington Hall, Arlington, Va., where he is part of the Army detail at Arlington National Cemetery. He was notified at 7:30 a.m. Friday of the fire.

The state fire marshal and state investigation bureau are participating in the investigation.

Lily Zobrist, 2237 Delmar, was awakened by Cindy Morris, who told her the building was on fire. She went outside and saw that front entrances on the south end of the building were almost completely burned away.

As Miss Zobrist went to the north end of the apartment structure, she saw flames through the windows, and one of

STUDENT HISTORIAN OF YEAR. State Comptroller Roland Burris presents a student historian award to Donald Davis, 17, who graduated Friday night from Granite City High School Friday. The presentation took place in ceremonies at Springfield Friday afternoon, when 26 teenage historians from 19 communities throughout the state were honored. He is the son of Mr. and Mrs. Lawrence Davis of 3 Reta Court. The awards are based on excellence of articles published during the school year in Illinois History magazine, which is sponsored by the Illinois State Historical Library and Society.

CHARRED DEBRIS is shoveled by pipeman Jim Pyle of the Granite City Fire Department Friday from a stairway leading to the apartment of Mrs. Mary Morris, 31, who lost her life. Personnel from the Division of Investigation, Illinois Department of Law Enforcement, were on the scene hours after the blaze and the state fire marshal was called in.

\$100 CHECK is presented to Chief Librarian Robert J. Stack of the Granite City Public Library, center, by Mrs. Judy Halbrook, left, and Mrs. Billie Schuler, co-chairmen of the Eagles Auxiliary's Golden Eagle Fund drive. The gift will purchase large-print books and magazines for the elderly and visually handicapped.

Gift for GC Library

The Granite City Auxiliary of the Fraternal Order of Eagles, Aerie 1126, presented a \$100 gift check Thursday to the Granite City Public Library.

The presentation was made by Mrs. Billie Schuler and Mrs. Judy Halbrook, co-chairmen of the auxiliary's Golden Eagle Fund drive. Chief Librarian Robert J. Stack accepted the gift. It is suggested the funds be used to purchase large-print books and magazines for the elderly and visually handicapped, the auxiliary representatives explained. This is the fifth year such a presentation will be duplicated across the United

States and Canada by Eagles auxiliaries.

Auxiliaries receive the library grants from the Eagles Memorial Foundation in appreciation of their cooperation and support of the senior citizen-oriented Golden Eagle Fund which the foundation administers. The Eagles and auxiliary units raise money for the fund that makes grants

available to charitable organizations working on some project of benefit to the aged, Mrs. Schuler said.

The co-chairmen noted that a display of library gift presentation news pictures is being arranged for exhibit at the Grand Aerie-Auxiliary national convention, scheduled to take place in early August at Kansas City, Mo.

Driver is sued

Dennis M. Fuhs and Kenneth L. Fuhs have filed suit in Madison County Circuit Court against Judith C. Hutchison as the result of an April 17 accident on Route 203 at Fourth Street in Nameoki Township.

Dennis Fuhs was driving a tractor-trailer owned by Kenneth Fuhs' company, D&D Trucking Co., which collided with Judith Hutchison's auto, according to the suit. It alleges she failed to yield the right of way.

It seeks damages, including repayment for demolition of the truck and income lost as a result of the accident.

Parisian salute to Mrs. Laster

Phyllis Laster of Granite City, a district manager with Avon Products, Inc., was honored last week at an awards luncheon at the Bois de Bologne Restaurant in Paris.

She was among 246 U.S. district managers named to the company's Circle of Excellence for record-breaking sales in 1978.

The group was in Paris for a six-day conference and the circle's tenth annual banquet, which was held at Paris' Inter-Continental Hotel.

This is the first year Mrs. Laster has achieved membership in the circle. A district manager for two years, she is responsible for appointing representatives in Granite City, Collinsville and Maryville.

Avon is known as the world's largest manufacturer and distributor of cosmetics, fragrances and costume jewelry. Its products are sold by over one million active representatives in the U.S. and 25 other countries.

HONORED IN PARIS. Mrs. Phyllis Laster, Granite City, pictured in the French capital.

Two annexation requests delayed

GC aldermen have followed the Plan Commission's recommendations to delay two annexation requests while approving one.

The request of Elmer Mosta, 466 Maryville Road to join the city was denied "until the property becomes more contiguous with the city limits," and an annexation request by Fuchs and Sons Construction, Supply Co., 1600 Bremen Ave., was held over until a new request, which also seeks C-1 zoning for the property, is submitted.

The property of Joseph Brien, 2510 Pine St., was annexed at the recommendation of the Plan Commission.

The city council also concurred in the recommendations of the city's Board of Appeals granting 11 requests for variances.

Granted the variances were: Jesse Warren, 2705 Birchfield Ave., for a room addition 18 feet from the front property line; Thomas Epperson, 3136 Jill Ave., for a room addition 4.5 feet from

the side property line; Fry Custom Homes for a new residence 12 feet from the side property line on Gary Avenue at Maryville Road.

John Mink, 3132 Davis Ave., for an unattached garage two feet from the side property line; Fred Laster, 219 Wilson Park Lane, for a garage four feet from the side property line, and William Scroggins, 703 Twenty-ninth St., for a garage 2.5 feet from the side property line.

Also, John Painter, 2525 Buenger Blvd., for a carport two feet from the side property line; James Scherrills, 2101 Waterman Ave., for a room addition two feet from the side property line; Patsy Hanvey, 2445 Kilmer Drive, for a carport one foot from the side property line, and Charles Gandora, 2537 Lynch Ave., to extend his carport within four feet of the side property line.

Stallings graduates honor past teacher

The graduating classes of Stallings School in the years of 1943, 1944 and 1945, plus graduates from other years and friends held a reunion and honored their teacher, Mrs. Loretta I. Sullivan, who resides in Edwardsville. Stallings Elementary School is being closed.

The occasion was a lawn party at the home of Mr. and Mrs. Elmer A. Dehn, 3214 Colgate Place.

Those present from Edwardsville were the guest of honor, Mrs. Sullivan, her sister, Miss Elva Lee Sullivan, and Mr. and Mrs. Richard Schneider. Present from Madison were Mr. and Mrs. John Palchiff.

From Granite City, attending were Mr. and Mrs. Michael Lombardi, Mr. and Mrs. Frank Mehelec, Donald Hartzel, Mr. and Mrs. John Nemmer, Mr. and Mrs. Stephen Gargac, Mrs. Evelyn Stephens, Mrs. Betty Hamilton, Mr. and Mrs. Otto Kreibler, Mrs. Juanita Barnes.

Also, Mr. and Mrs. Earl Lancaster, Mr. and Mrs. Gordon Wills, Mrs. Gladys Pope, a former teacher at Stallings, Mr. and Mrs. Earl Grupe, Mr. and Mrs. Tom Oram, Mrs. Betty Carbaugh and Mr. and Mrs. Carl Harrison of Granite City. From Collinsville, Mr. and Mrs. Leonard Shop and Mrs.

Helen Enos. From Highland, Mr. and Mrs. Sam Funkhouser.

From Decatur, Mrs. June Innis. From Caseyville, Mr. and Mrs. Frank Becker.

Have You Taken a Good Look at Us Lately?

We hope you take the time to look us over carefully. Many things about us are different—brighter and newer. To begin with, we have made our name simpler and to the point: Granite City Bank.

New Look . . . New Lobby

Next, you may have noticed the extensive remodeling going on in our lobby, and various departments in the bank, for the past few months.

New carpeting, plants, writing stands, special sound conditioning, and a new telephone system are some of the more visible things you will be sure to notice in our lobby. We are very proud of the way it all turned out.

Of course, all of this was done to make your visit to Granite City Bank as comfortable as possible. In a greater sense, our efforts make a very strong statement on the way we feel about our community and the downtown Granite City hub, the center of business and civic activity.

Stop in to see us if you are in the downtown area this week. There will be refreshments waiting for you (free of course).

Appeals, in Chicago. The appeals will take several months and both men have indicated they may try to appeal as far as the U.S. Supreme Court if necessary. The maximum sentence for Cooper and Maeras could have been 110 years in prison and \$85,000 in fines. Judge Ackerman refused motions for a new trial, but noted he may reconsider Stoller's sentence after the appellate court rules on the case. The guilty verdict came at 1:50 p.m.

Sunday Feb. 25 after a three week trial. The jury deliberated 17 hours before finding the men guilty. The 23 counts against Maeras and Cooper include: one count of racketeering, 14 counts of mail fraud, four counts of obstruction of justice and four counts of wire fraud. Federal authorities have said they are actively continuing their investigation of alleged public corruption in Madison County. William H. Webster, national director

of the Federal Bureau of Investigation, formerly of St. Louis, said recently that a major target of the FBI nationally is wrongdoing by public officials. In certain instances the FBI investigates corruption in government and in state and area police departments, under the Hobbs Act of the Anti-Racketeering Statute, the Interstate Transportation in Aid of Racketeering Statute and the Organized Crime Control Act of 1970.

Funds

(Continued from Page 1)

local school district. The opinion is from R. Dale Yung, legal counsel, Illinois Department of Local Government Affairs. "As you can see by this letter, Attorney Yung considers this appropriation as being illegal on several grounds," Douglas told the Press-Record.

"I have sent copies of this letter to the township attorney, William Schaefer, and to the township supervisor, Nelson Hagnauer, asking for reconsideration of the appropriation."

"If I fail to hear from them, I will begin preparation for the initiation of a suit in federal court asking for a declaratory judgment and restraining order," Douglas said.

Schooley has ruled that such expenditures are allowed by existing laws.

Yung last week told Douglas, "In general, I concur in the opinions expressed in your letter of May 17."

"A Township has only those powers which are specifically granted by statute and such incidental authority as is reasonably necessary to carry out specifically granted powers."

"As indicated in your letter, the provision in Illinois Revised Statutes, Chapter 138, Paragraph 38, relating to swimming pools and other recreational facilities, is ineffective since it is limited to the expenditure of federal revenue sharing funds."

"Illinois Revised Statutes, Chapter 138, Paragraph 126.10, authorizes expenditure of both township funds and federal revenue sharing funds for ordinary and necessary maintenance and operating expenses for certain enumerated programs and for ordinary and necessary capital expenditures authorized by law."

"Construction of lights for a soccer field is a capital expenditure. Therefore, Paragraph 126.10 does not authorize such expenditure unless other statutory provisions are broad enough to permit it. "You also correct that a non-home rule unit cannot donate its money to any person or entity, governmental or private unless authorized by statute, no matter how worthy the purpose may be."

"When it is intended that a township be permitted to make grants for specified purposes, the law so states. Townships are authorized to acquire, maintain and improve public parks for the free use of the public and open space land for a soccer field."

"However, in my opinion, neither of those laws would authorize construction of lights for a school soccer field."

"The only other possibly relevant statutory provision of which I am aware permits a Township Committee on Youth to make grants to another government entity to provide recreational facilities for youth in areas with a high incidence of juvenile delinquency."

"If (1) a township has a Committee on Youth, (2) the school is in an area with a high incidence of juvenile delinquency, and (3) money for this purpose has been budgeted and appropriated by the Board of Trustees for such grants by the Township Committee on Youth, then I believe the grant in question could be made."

Douglas had written Yung "with respect to the conversations that I held with you on May 14 and 15 concerning the expenditures of federal revenue sharing funds by Granite City Township."

"Although I have received confirmation from you by phone that it is your legal opinion that the expenditures we talked about are not authorized, I would like to have a written opinion from you so that I may present it to the Town Board."

"Therefore, this is my question. Can an Illinois township government give federal revenue sharing funds to the local school district for the purpose of constructing lights for a soccer field on school property and for improvements to a gymnasium at one of the local high schools?"

"There is no contract or agreement, either written or verbal, concerning the expenditures of these funds. "In other words, the school district has not promised any consideration for the gift from the township."

"It is my opinion that the township cannot spend these funds in this manner due to the federal regulations outlined in Attorney General Opinion 5693, Feb. 7, 1974, and the restrictions placed on granting expenditures per Section 126.10 of Chapter 139 of the Illinois Revised Statutes."

"I am also of the opinion that the above mentioned section was passed by the Illinois legislature specially because of the attorney general opinion which stated that Section 38 of Chapter 139 was ineffective in allowing townships to spend federal revenue sharing funds for recreational facilities."

"I am also of the opinion that it is unconstitutional for local governmental entities to give away funds to another governmental entity without some consideration. "Since in this case there is no contract or agreement, I believe this arrangement is unconstitutional because of that fact," Douglas concluded."

City; one brother, Willie Garnett of Granite City; three sisters, Mrs. Don (Pauline) Guenther of Fletcher, Mo., Miss Dee Dee Champion of Madison and Miss Marcia Garnett of Granite City; and her mother Mrs. Jeanne Warmhoff of Granite City.

Sisters abducted; are safe

Granite City police detectives today were investigating the abduction of two sisters from Denver, Street and Rock Road at 11 p.m. Monday. Both young women have been freed, police said.

The two victims, ages 9 and 16, said they were walking from their homes in the 2700 block of Denver Street to a confectionary when a large black two-door car with red interior stopped and a man aimed a double-barrel shotgun at them and ordered them into the car.

The two were forced to lie on the front floorboard while he drove to East St. Louis, where he released the 9-year-old. She went to a nearby apartment and a young man drove her back to Granite City.

Officers searched for the auto throughout the area, until Cahokia police notified local authorities 2:45 a.m. today that the 16-year-old had been released unharmed in their city. Granite City detectives brought her back and were questioning her this morning, attempting to determine the identity of her abductor.

the windows then blew out. She quoted the child as saying that when she arrived home she thought the apartment might have been broken into. The 12-year-old was starting to fix a sandwich when the explosion occurred, and escaped through a kitchen window. The explosion sounded to her like it may have occurred in a bedroom. When firemen entered the apartment

through the back stairs connecting the kitchen, the door was on fire. It was partly open. A chair, also blazing, was blocking the door area.

Vietnam veterans' picnic in progress

A free picnic for Vietnam era veterans and their families is being held today at the Granite City Army Depot.

Sponsored jointly by the Office of Veterans Affairs at SIUE, the Veterans Assistance Commission and the Illinois Job Service, the picnic is the major local activity of the National Vietnam Era Veterans Week observance proclaimed for May 28-June 3.

The picnic, from noon to 9 p.m. today, will include presentations of presidential

citations honoring outstanding veterans, plus information booths set up by the Veterans Administration, American Legion, Armvets, Disabled American Veterans and Job Service.

The booths will offer aid to veterans who have problems finding jobs and applying for benefits, including information about "agent orange." The awards will be made at 6:30 p.m.

Bob Fowler, coordinator, said veterans throughout the country are being encouraged to attend, and their families will be welcomed. Sponsors plan to make the picnic an annual event to honor Vietnam era veterans for their contributions to the country and the local area.

Missourians—

(Continued from Page 1)

toward the region by Missourians have kept the Illinois portion from reaching its full potential, President Shaw charged. He declared, "From a regional standpoint, we aren't nearly what we could be."

Quoting from Abraham Lincoln, who reportedly stayed overnight at the historic Three-Mile House where the Danforth Group met Thursday night, Dr. Shaw said, "A house divided against itself cannot stand. We are drastically divided against ourselves, and that is why we are not standing very tall. Attitudes all too time-honored continue to plague us."

Dr. Shaw insisted that the problems can be overcome through regional cooperation.

"We are land rich, both in the sense of undeveloped exurban land and cleared tracts in our cities that can be effectively recycled," he said.

"We are probably the most water-rich urbanized area in the country. The money for capital investment is here, or can be attracted if the proper case is made."

"The air cargo proposal has vast potential, but continued rejection by Missouri may poison the common well from which we must drink for yet another century."

At that point, Dr. Shaw declared, "The east side cannot afford to wait." Indicating the duty-free status of the Foreign Trade Zone at the Tri-City Port, the university president said there is no limit to the sources for the goods that can pass through it.

"Just this week, Gov. Thompson led a contingent of concerned businessmen to Japan. I'm sure he will reiterate the attractiveness of a core site in this area to the planners at Datsun (automobile manufacturer). Fortunately, on this proposal, he will have the support of representatives from both sides of the river."

Pres. Shaw also believes the area economy will be vastly bolstered by the Lock and Dam 26 project.

"The jobs created by these assets will number in the thousands," he added. "It is worth noting that the lock and dam project was pushed through because our political and business leadership got together and insisted on it."

Emphasizing the faith shown by area industries, the president said there is evidence they are extending their capital investments here. For example, he said, Granite City Steel recently committed itself to an investment of \$60 million for remodeling and upgrading.

Dr. Shaw challenged the group to consider some of the region's most pressing problems: "Perhaps no worst served by its mass transportation system. In the midst of blind affluence, we have grinding poverty."

"Hospital beds are maldistributed. For each 100,000 people in the region there are approximately 70 practicing physicians, compared to a statewide average of better than double that number. The range of tax bases for school districts reflects the same

maldistribution of vital resources.

"Thus, it might be construed as stupidity or madness for me to say that the future is bright. Yet, hopeful signs are all too abundant."

"Paraphrasing Keats, we don't seem to be able to see the flowers that are at our feet."

"The air cargo proposal dramatizes our capacity to develop rational alternatives to ideas that, for whatever reason, might not work out."

"The port facility proves that we can go anywhere in the world and sell ourselves as a significant marketplace. The Lock and Dam 26 success shows dramatically what can happen when we all find a way to work together in a common regional cause."

"The Granite City Steel commitment tells us that there are important local interests who can exert the pride and confidence in the area that we all need to develop as a habit of mind and heart."

Dr. Shaw concluded, "Building from these increments, we can slough off the crippling hurts of the past that have divided us and stunted our growth."

"If we are willing to stand tall and assert our pride in ourselves — and our faith in the promise of the future — we have the tools and resources to prove that we are not making empty gestures."

"It is a challenge that transcends the power of any one person, demanding that we go forward together, and rejecting or ignoring those who would stand in our way."

Eugene R. Parker, 60, dies

Eugene Rhoades Parker, 60, of 1533 Knollstone Drive, Ferguson, Mo., a former long-time resident of Granite City, died at 3:40 p.m. Sunday at Christian Hospital North, St. Louis County, following an extended illness.

He had entered the hospital May 7. Mr. Parker was born in Dover, Tenn., and had resided in Granite City for 50 years prior to moving to St. Louis County in 1972.

He was a U.S. Air Force veteran of World War II and an Army veteran of the Korean Conflict. Mr. Parker was a retired federal employee, having worked at the U.S. Army Mobility Equipment Command in St. Louis and the former U.S. Army Aviation Systems Command.

At one time, he was em-

ployed at the Granite City Army Installation.

He was a member of the Disabled American Veterans Chapter 53 of Granite City, the National Federation of Federal Employees and the American Association of Retired Persons (AARP).

Surviving are his wife, Mrs. Betty A. (Bloodworth) Parker; one son, David E. Parker of Minneapolis, Minn.; a daughter, Miss Sondra C. Parker of San Francisco, Calif.; his mother, Mrs. Christine Parker of Granite City; and his parents-in-law, Mr. and Mrs. David (Jennie) Bloodworth of Granite City.

His father, James G. Parker of Granite City, preceded him in death. Funeral arrangements are given in today's obituary column.

Edgar G. Allen, 73, dies

Edgar G. Allen, 73, of Rural Route 3, Water Valley, Miss., formerly of Granite City, died at 11:20 a.m. Monday, May 28, at the Baptist Hospital in Memphis, Tenn.

Mr. Allen had moved to Water Valley from here nine years ago. He was retired from General Steel Industries, where he was employed as a drill press operator.

Mr. Allen is survived by his wife, Mrs. Mabel (Hagler) Allen; a stepson, Eugene Long of Granite

City; a stepdaughter, Mrs. Alice Talley of Granite City; one brother, Lee Allen of Water Valley; a sister, Mrs. Lucy Simmons of Memphis, Tenn.; five grandchildren and five great-grandchildren.

Funeral arrangements are given in today's obituary column.

Illness prevents sentencing

Former Madison County Sheriff John Maeras, 32, of Madison, was not sentenced Friday because of his health. A cancer doctor told the court of terminal illness.

Dr. Shabir H. Safdar, a cancer and blood disorder specialist who practices in Granite City, estimated at a hearing in U.S. Court in Alton Thursday that Maeras has four to six months to live. The doctor said Maeras is losing about one and one-half pounds of body weight a day, sleeps a great deal and has been depressed lately.

"Sentencing would impair his health," Attorney Bruce Cook said. He produced a waiver from Maeras permitting Cook to apply for a stay of sentencing and to sever Maeras' sentencing from the sentencing of suspended Capt. John Cooper of the sheriff's department and fund-raiser Leland Stoller, who were convicted with the former sheriff.

U.S. District Judge J. Waldo Ackerman is expected to give his ruling this week on Cook's motions to delay sentencing and to sever Maeras' sentencing from the sentencing of suspended Capt. John Cooper of the sheriff's department and fund-raiser Leland Stoller, who were convicted with the former sheriff.

Maeras' sentencing was expected to be postponed for a short period or indefinitely.

Mother of GC man dies

Mrs. Ova V. White, 75, of 2503 College St., Mount Vernon, Ill., died at 8:30 p.m. Sunday at Good Samaritan Hospital in Mount Vernon. She was the mother of Kermit White of Granite City.

Mrs. White was born in Wayne County, Ill., and resided most of her life in Mount Vernon. She was retired from International Shoe Co. where she was employed more than 30 years. She was a member of the Logan Street Baptist Church in Mount Vernon.

Her husband, Max White, preceded her in death June 20, 1978. Surviving besides Kermit White are a son, Edwin White of Centralia; a daughter, Mrs. Carl (Elsie) Maurer of Mount Vernon; eight grandchildren and nine great-grandchildren.

Services will be at 1:30 p.m. Wednesday at a Mount Vernon funeral home where visitation will be after 5 p.m. today. Burial will be in Memorial Gardens, Mount Vernon.

2 arrests by MEGSI agents

Agents of the Metropolitan Enforcement Group of Southwestern Illinois arrested two St. Louisans after an alleged cocaine purchase on the parking lot of the A&P Food Store last week.

Robert S. Gubin, 36, and Janice P. Mueller, 25, were charged with delivery of a controlled substance and their bonds were set at \$5,000 each.

MEGSI Executive Director Richard Woods said undercover agents arranged to purchase about \$400 worth of cocaine and agreed to exchange the money for the cocaine on the A&P parking lot.

The arrangements were carried out and the arrests made. A 23-year-old St. Louis man who was also taken into custody was later released without being charged, since he did not take part in the drug sale.

Woods said the alleged cocaine has been sent to a state crime laboratory for analysis.

ALLEGES BATTERY
James Samuel Miller, 63, of 2446 Hodges Ave., was charged with battery at 12:30 a.m. Friday on a complaint signed by his wife, Mrs. Loretta Miller, who alleged her husband struck her with his fist on the arm and pushed her into a dressing table.

Preparing to feel better

Well, a little cold has turned itself into a little pneumonia. I am finally resting comfortably here in the hospital, but I need the rest. It took a lot of work to get ready to get to feeling better.

Doctors just don't realize the sentence they pronounce when they tell a mother that she must go into the hospital for a few days. We mothers find it more difficult to drop everything and be sick.

I hemmed and hawed and stalled until my doctor began to call me at work, telling me either I get myself to the hospital, or else. I didn't ask what he or she meant.

When I finally decided that I would go in, there were about 13,476 things I had to do. The first thing of course, was seeing to the children.

My husband is a pretty good babysitter except when I am in the hospital. Between

visiting me and working, there is always a need for a second and sometimes a third sitter.

Fortunately the grandparents came to my rescue. They came up from Kansas and will take the boys with them tomorrow. That part presented no problem.

Then of course there was my work. I have this thing about not missing an issue, so I worked furiously to make sure that I got a little ahead on my work so I could take time to be sick.

With the in-laws coming in, I had to overhaul the house, something I dread under the best of conditions.

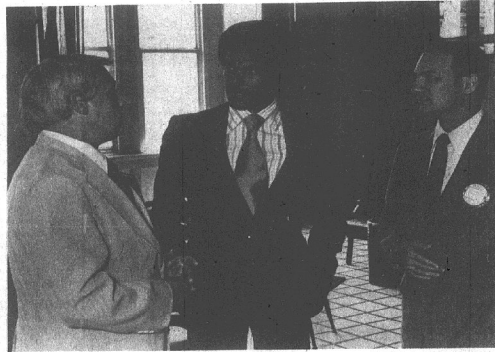

Everybody pitched in and helped out and it wasn't long before the house looked halfway presentable. But I was a wreck, getting sicker as the weekend drew near.

I had been on all sorts of medication for a couple of

weeks, trying in vain to make this thing go away and avoid sitting around in the hospital. It made me feel somewhat well, but made doing all of the things I had to do more difficult, since the medicine made me sleepy. I have had quite a time getting ready to get well. I am afraid that I made myself sicker by putting off going in and by working too hard.

But being ill is like everything else for me; it must be scheduled or I can't handle it. Now I can relax, the kids will be okay and my husband is so busy at work that he will hardly have time to miss me.

Now I can get some rest. Here comes the nurse. Seems my doctor has a schedule, too. They have ninety eleven things that they are going to do to me. They goes any idea I had for rest.

GUEST SPEAKER, Mayor Carl Officer, center, of East St. Louis, has an informal chat with two Granite City Rotarians prior to the club's Tuesday afternoon meeting. At left is program chairman Rev. Don Pierson and at right is Rotary President Drew Karandjeff. Officer, newly elected as mayor of East St. Louis, spoke to the group after an afternoon luncheon.

G. H. Sternberg to speak at Philmont

Gene H. Sternberg, president of the G. H. Sternberg and Company, has been asked to speak at the Philmont Scout Ranch "Kick-off" dinner on Thursday, June 14.

Philmont Scout Ranch is located near Cimarron, N.M. and is the largest camping operation in the world.

Attending the 1979 season's opening banquet will be the summer staff of 550 and numerous Boy Scouts of America officials.

Sternberg is vice-president of the North Central Region which covers a 12-state area, a member of the National BSA Council executive board, and serves as a member of the Cahokia Mound Council Executive board with offices in Granite City.

Over 16,000 Scouts, Explorers and leaders will

camp at the ranch this summer.

Philmont covers 214 square miles of what is described as a "backpacking paradise" and during its 40 year history has had over 300,000 young people and 125,000 Scout leaders camp and hike the trails.

The famous Scout ranch is

set in the rugged mountain wilderness of the Sangre de Cristo (Blood of Christ) range of the Rocky Mountains, with elevation ranging from 6,500 to 12,441 feet.

The Philmont staff "Rangers" will leave immediately after the banquet program for their back-country training.

Trailer, truck plates at three banks June 1

Alan J. Dixon reports that over-the-counter sales of "B" and "TA" fiscal 1979-80 license plates will begin Friday, June 1, at 266 banks and loan associations in Illinois.

Locations here will be the First Granite City National Bank, Granite City Trust and Savings Bank and American Heritage Bank of Granite City.

Secretary of State Dixon said plates sold for fiscal 1979-80 will not be multi-year plates.

"B" plates are for trucks with a gross weight of 3,001 to 8,000 pounds, including the vehicle and maximum load. The fee is \$30.

"TA" plates are for trailers with a gross weight of 3,000 pounds and less, including the vehicle and maximum load. Fee is \$10.

June 1 also is the first day new plates may be displayed legally on second division vehicles. The final time for

displaying current fiscal year plates is midnight June 30.

Second division vehicles include trucks, tractors, trailers, semi-trailers, farm trucks and trailers and mileage tax vehicles.

Chouteau OKs \$179,522 budgets

Chouteau Township officials last week approved town budgets totaling \$179,522 for the 1979-80 fiscal year. Approval of the budgets followed a public hearing in the township hall.

Budget totals are: town fund, \$77,695; general assistance, \$47,300; revenue sharing, \$53,228, and anti-recession fiscal assistance act, \$2,200.

Revenue sharing fund allocations include \$1,000 for administration, \$3,000 to oversee a grant to aid low income residents tapping onto the new sanitary sewers, \$2,400 for a sound system for the township hall, \$3,000 for various community activities, \$5,000 for operations, utilities and maintenance of the township

hall, \$1,000 for kitchen equipment in the town hall, \$4,000 to guarantee ambulance service payments, \$14,000 for mosquito abatement control, \$6,000 in financial aid to the Hartford Park Board, \$3,000 to aid the South Roxana Fire Department and \$6,998 for the Mitchell Fire Department.

The \$2,200 unspent from last year's anti-recession fiscal assistance act appropriation will continue to be available to township residents needing eyeglasses, hearing aids, dentures and other special medical aids. Applications for the funds are being accepted at the township hall or by calling 931-0360.

Among the appropriations in the town fund are \$5,000 to help finance a legal fight against annexations by Granite City. At the annual town meeting, township residents voted to fight a recent annexation by the city of an industrial tract west of Route 3 at St. Thomas Road, which is owned by Illinois Power Co.

Also appropriated in the town fund under the administrative category is \$45,745 for salaries of township officials and em-

ployees, \$6,000 for municipal retirement, \$100 for a farm census, \$1,000 for equipment purchases and \$21,450 for supplies, materials, insurance, utilities and other administrative costs.

Another \$2,500 is included for election expenses and \$750 is set aside for contingencies, bringing the town fund total to \$77,545.

General assistance appropriations include \$14,000 for administration, \$23,000 for home relief, \$10,000 for institutional care and \$500 for contingencies.

Knights re-elect

Herbert L. Gegenhuber of Palatine, Ill., was re-elected as state deputy of the Illinois Knights of Columbus last week at the final business session of the annual meeting, held at Springfield.

The 54-year-old sales executive of Union Standard Equipment Co. completed a successful year as the Catholic Fraternal society's leader.

A record \$751,000 was collected for the Knights' fund-raising effort in behalf of the mentally retarded last fall, bringing the nine-year total solicitation by the Illinois K of C to more than \$4 million.

The largest voluntary collections for the Newman Apostolate will be recorded this year, with an estimated \$125,000 to be distributed to Newman Centers on secular campuses around the state.

Still another record-breaker is the state disaster fund, an emergency program that provides funds to churches of all denominations, schools and hospitals damaged by fire or flood.

Others elected by the delegates representing 279 councils or lodges in the state include:

Derrell W. Beck of Decatur as state secretary, Robert T. Kellam of Chicago as state treasurer and John A. Ray of Springfield as state advocate. Ward Birch of Rantoul is state warden.

Installation of Gegenhuber and the other state officers is tentatively set for the second weekend of July.

NOSE IS BROKEN

Rick Hotz, 25, of 2301 Namecki Road, lot 14, suffered a broken nose when he was beaten in Kirkpatrick Homes Thursday. He said a man threw him to the ground and kicked his face twice with a boot. He went to St. Elizabeth Medical Center where X-rays were taken and he was admitted.

Passenger is injured

Mrs. Emma Williams, 35, of 619 Washington St., Venice, was treated for a headache and pain in her arm, then released at 4:25 p.m. on May 23 following an auto accident.

She was a passenger in a car driven by her husband, John H. Williams.

The car driven by Williams collided at 4:05 p.m. with an auto driven by Ricky D. Jones, 19, of 34 Venice Homes, Venice, at Sixth Street and Lincoln Avenue, Venice.

Jones was issued a traffic citation for running a stop sign.

Starring role for Jennifer Powderly

A University of Northern Colorado student from Granite City is one of four performers who starred in a dinner theater musical this month at UNC, Greeley, Colo.

Miss Jennifer Powderly, 121 Riviera Drive, was a singer and dancer in the musical revue, "Jacques Brel is Alive and Well and Living in Paris," performed May 4, 5, 12 and 13. The show is a collection of 25 songs written by the contemporary

French songwriter Brel and produced for the stage.

Miss Powderly is a junior at UNC majoring in musical theater. She is a graduate of Granite City High School South and attended Southern Illinois University at Edwardsville for two years prior to going to UNC.

While at UNC, she has performed in the musical "Cabaret" and in the opera "Suor Angelica." She hopes to pursue a career in theater or music, "whichever comes first," she says.

ALIVE AND WELL. Four University of Northern Colorado (Greeley) students made up the cast for a dinner theater production of "Jacques Brel is Alive and Well and Living in Paris," performed at UNC. From the left are Dana Shanks, Brent Varner, Steven Dietz and Jennifer Powderly, the latter of Granite City.

Cinco de Mayo . . . Dancing and fun in the ways of Old Mexico

PEOPLE

The children danced the colorful dances of Mexico while parents and guests looked on. It was a party, a fiesta, in celebration of "Cinco de Mayo."

The event, which took place on a Saturday night (May 19) at Namooki Village, was put on by the Mexican Honorary Commission of Granite City.

Cinco de Mayo, which means 5th of May, is the anniversary of the victorious Battle of Puebla in 1862, in which the Mexican army defeated the French. The annual fiesta is in celebration of that event.

The fiesta is one way that the Mexican-Americans keep the culture of their parent country alive. The dances are passed down from generation to generation.

This year's program director Sarita Garcia and her assistant Julie Barnes learned to dance as children

and have been in numerous fiestas themselves.

The Mexican Hat Dance, as Americans call it, or Jarabe Tapatio, was the finale of the show. Following it, the Mariano y Su Combo played, with the emphasis on Mexican favorites.

The joy of the dance could be seen in the faces of even the littlest of the dancers. The hat dance brought cheers and applause from the crowd and squeals from the children as coins were thrown at their feet.

Traditional Mexican foods, such as tacos, tostadas and tamales, were served, prepared with original Mexican recipes.

Everyone seemed to enjoy the evening, the entertainment, the food and the company, with the possible exception of one little boy not of Mexican descent who declared the sauce on the tacos too hot. But what would a fiesta be without hot?

Area labor officials attend state AFL-CIO health meeting

Life saving techniques and general health were feature topics at the Illinois State AFL-CIO Community Services conference held in Peoria this month.

The conference was attended by nine delegates from the Quad-City area.

"Race for Life" was the theme for the three-day conference. American Red Cross CPR techniques and emergency first aid training were given to the 125 delegates attending. Leo Perlis, director of the national AFL-CIO Community Services Programs and newly-appointed acting president of Illinois State AFL-CIO was among the speakers.

National Health Insurance supported by AFL-CIO and the total American Health Care System were major topics of the conference. Workshops on HMO's were

conducted by several experts in the field.

Guest speaker Chris Cohnen, principal official of Region Five of the U.S. Department of Health, Education and Welfare discussed the potential for improvement of health care in the United States through the cooperation of organized labor and HEW.

George Hurney, chief of Health Facilities of the Public Health Services discussed the Hill-Burton Act.

Other speakers included Jack Walsh, associate executive director of Government Affairs of the United Way of Chicago, and Richard Walsh, legislative representative of Illinois State AFL-CIO, concerning health and welfare legislation in the Illinois General Assembly. Delegates attending the

conference from the Quad-City area included:

Wallace Weidner, president United Steel Workers of America, Local 67; Jerry Urbeck, Community Services representative, United Steel Workers, Local 67; Grady White, financial secretary, United Steel Workers, Local 67; Lloyd Bailey, union counselor, United Steel Workers, Local 4804; Alex Malzynski, union counselor, United Steel Workers, Local 1063.

David Anderson, United Steel Workers, Local 1063; Larry Miller, AFL-CIO Community Services director, Tri-City Trades and Labor Council; George Knecht, staff representative, United Steel Workers, of Sub-District 34; James Kellahan, staff representative, United Steel Workers, of Sub-District 34.

AFL-CIO Community Services Programs have been a part of the Quad-City area over 20 years. Presently 125 union counselors active in various trades and crafts are affiliated with the Tri-City Trades and Labor Council in Granite City. Local courses are conducted annually in the Quad-City area and will be conducted in September, according to George Amich, chairman, Tri-City Trades and Labor Council Community Services Committee.

Head-on crash

Dennis McIntosh, 26, of 2409 Maryville Road, was charged with crossing the center line after his car and the truck of Steven Tuomey, 24, Collinsville, collided head-on on Black Lane in State Park Place last week.

McIntosh was taken by ambulance to St. Elizabeth Medical Center where he was admitted for observation of a head injury. Tuomey later sought treatment at the medical center for pain to his left knee. He was released after treatment.

Amsted sued

Michael Knebel has filed suit in Madison County Circuit Court against Amsted Industries, Inc., seeking \$75,000 for injuries he suffered when he was working in a ditch and fell Oct. 11, 1978.

Amsted owns American Steel Foundries in Granite City. Knebel alleges he was working for a firm which was installing underground water lines for an addition to the plant when a train engine passed nearby, creating vibrations which caused part of the ditch wall to collapse. He said he fell deeper in the ditch and was injured.

Kroger big supplier—and big purchaser—in this state

The Kroger Co., which operates 79 supermarkets in Illinois, has released figures indicating it also is one of the state's good customers.

In its annual report of purchases by state, Kroger reported that it spent \$970.5 million for Illinois products and services in 1978.

Jess Spiller, director of operations of the marketing area which operates the stores in this area, said approximately \$789.2 million of the total represents

purchases of products from Illinois farms and plants.

"While much of this product was bought for sale in our stores in Illinois," Spiller said, "we also buy products here for sale in Kroger stores throughout the South and Midwest, this broadening the market for Illinois products."

Kroger spent \$22.1 million to buy dairy products and eggs here last year; \$236.9 million for meats and poultry; \$383.4 million for canned and packaged foods; \$13.8 million for fresh fruits and vegetables; and \$133.2 million for products other than food which are sold in its stores.

The state's economy also benefited from other needs of Kroger stores, Spiller pointed out. For example, the company's 4,038 employees in the state were paid \$45.1 million in wages, most of which was returned to the local communities. In addition, the 2,313 Kroger shareowners who live in the

state received \$1,205,913 in dividends.

Kroger also paid rent of approximately \$4 million for stores and other facilities owned by Illinois landlords. Other expenses needed to run the business, such as heat, light, power, advertising and other goods and services, brought \$131.1 million additional to the state's economy.

Teacher assignment policy reaffirmed by Venice board

Assignment of classroom teachers remains the responsibility of the school administrator, subject to board approval, the Venice Board of Education emphasized at its meeting last week.

The issue was brought to the school board's attention when Superintendent of Schools Robert N. Vickers reported receiving written requests from five teachers in the Venice public schools seeking transfers to teaching positions at Venice-Lincoln Technical Center.

The adult vocational school, located on South 4th Street, Venice, operates on an 11-month school year, it was noted.

The five teachers requesting transfers listed the additional income as a major factor in seeking to change positions, Supt. Vickers said.

All have long seniority in the Venice School District. "In spite of their seniority status, it has been the policy since Venice-Lincoln opened not to permit teachers to transfer at will from here (public schools) to there," the administrator reminded the board.

"I believe our first consideration must be to the public school students and to allow teachers to transfer just because of seniority would deplete the staff here of experienced personnel," he added.

"My recommendation is that faculty members be reassigned to Venice-Lincoln only on the basis of increased enrollment, expansion of programs there or jobs becoming vacant," Supt. Vickers stressed.

Jack Tolliver, board president, reaffirmed the board's stand on the matter of reassignment of faculty being the administrator's responsibility.

He noted that none of those seeking transfers had received notices of dismissal and the policy to be followed is what is best for the total district.

Supt. Vickers said later that two teachers from the Venice public schools may be transferred to Venice-Lincoln.

"This will be done because their qualifications meet the needs of possible job openings there," he indicated.

Also good news, he added, was an increase of only .08 cents per month in cost to a single employee, a \$1.40 increase in policies covering dependants and three cents higher for each \$1,000 life insurance costs.

The year before last, insurance costs rose by .46 percent, last year it was six percent and this year by two percent, Supt. Vickers said.

"I believe, in general, we can say we are satisfied with the insurance company," he added.

The Venice District is insured with Banker's Life of Des Moines, Iowa.

Plans complete for sr. citizen Olympics

The Southwestern Illinois Area Agency on Aging, in cooperation with the Illinois Department on Aging and individuals, groups and agencies throughout Southern Illinois, is completing preparations for its first Regional Senior Olympics at SIUE Friday, June 1, from 9 a.m. to 5 p.m. Admission is free and the general public is being invited to attend.

Senior citizens—men and women age 55 or older—will compete in the following events: 50-yard dash, mile run, long jump, low hurdles, discus, throw, horseshoe, bowling, basketball free throw, fly casting and five-mile cycle race, all to be held at the campus.

In addition, swimming competition in the 50-yard free style, 50-yard backstroke, 50-yard breaststroke and 200-yard free style will be held at the Edwardsville YMCA.

Competitors will be grouped in the age categories of 55-64, 65-69, 70-74 and 75 and over.

The top three male and female finishers in each event in each category will be awarded a medal and a certificate of achievement. Everyone who enters the

principals of the grade school and high school, had been submitted to Supt. Vickers prior to the board meeting.

Supt. Vickers explained the principals had indicated there was no need for substitute teachers on the final day of school as "students mostly just report in, get their report cards and leave after a half-day."

"We are certified teachers and agreed to take substitute jobs when you really needed substitutes and had teacher aides looking after classrooms," Miss Eck said.

"We also agreed to take retroactive pay, rather than go on salary."

"At the time you came to the district, you were looking for work and I believe a bonus benefit was derived," the superintendent said, in support of the principals' decision.

The pay for the substitute teachers involved for the one day would amount to \$177.

"This will pay a secretary for two weeks during the summer months," he said.

He said substitute teachers were paid for two snow days earlier this year when other staff members who have been with the Venice district for several years were not paid.

The superintendent was referring to kitchen personnel.

Extra time is required to complete all records necessary to the school year's completion, over and above classroom time, Miss Eck commented.

The issue was discussed further in executive session by the board members, with the decision of the principals backed unanimously.

"There does come a time when there is some good news," Supt. Vickers said, notifying the board members that a dividend check for \$9,271 had been received from the school district's insurance company.

"This is the first time that I'm aware of that we've ever got a dividend," he said.

Also good news, he added, was an increase of only .08 cents per month in cost to a single employee, a \$1.40 increase in policies covering dependants and three cents higher for each \$1,000 life insurance costs.

The year before last, insurance costs rose by .46 percent, last year it was six percent and this year by two percent, Supt. Vickers said.

"I believe, in general, we can say we are satisfied with the insurance company," he added.

The Venice District is insured with Banker's Life of Des Moines, Iowa.

Regional Senior Olympics will receive a certificate of participation.

Due to limited seating capacity at the SIUE track and field area, spectators are being encouraged to bring folding lawn chairs. In addition, spectators are to bring sack or picnic lunches. Lunch may also be bought at the SIUE cafeteria or at restaurants.

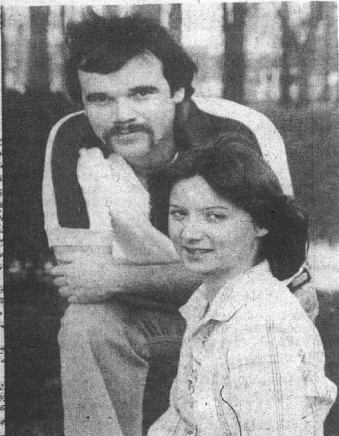

Those wanting information about the Regional Senior Olympics may contact the nearest senior citizen center or the Southwestern Illinois Area Agency on Aging, 6727 State St., East St. Louis (phone 397-4118).

In case of inclement weather on the morning of the Olympics, persons planning to attend may listen to area radio stations or call the SIUE information center at 692-2739 after 7:30 p.m. for information concerning possible cancellations.

Should a rainout occur, the entire Regional Senior Olympics—both outdoor and indoor events—will be rescheduled for a later date.

Bay View Club to mark 70th anniversary

Mrs. Walter Klein, vice president, conducted the meeting of the Bay View Club Thursday in the home of Miss Hazel Towery.

Miss Towery reported that she and Mrs. Emil Mueller attended the recognition assembly at Granite City High School North on May 18 and presented the Bay View Award for the Essay Contest to Miss Denise St. Ivany, a member of the graduating class.

Mrs. Alfred Krumsiek, program chairman, announced that the next meeting will be with Mrs. Mueller. The club, organized in June 1909, will celebrate its 70th consecutive year at that meeting.

Mrs. Krumsiek then presented Mrs. Arthur Bueente, who reviewed the life and business of Jay Gould, the railroad magnate and financier, in keeping with the club's continuing study of Little Known People and Events in American History. Mrs. Bueente said that her report was not so much a biography of Jay Gould, the man, as it was a biography of his business.

The hostess served a dessert luncheon to the 15 members present: Mrs. Bueente, Miss Lily Dod, Mrs. Elmer Gruen, Mrs. Harold Jansen, Mrs. Russell Johnson, Mrs. Klein, Mrs. Krumsiek, Mrs. Chris Louis, Miss Frances Lynch, Mrs. Lawrence McCauley, Mrs. William Miller, Mrs. Mueller, Mrs. Arthur Roman and Mr. James Stuart.

Helen Hall hosts meeting

Hostess Helen Hall opened the meeting of the Xi Epsilon Chi chapter of Beta Sigma Phi with Cookie White reading the minutes.

The ritual of jewels installation was held for Terri Asadorian and Dorothy Simpson. The installation of officers for the coming year was also held.

The disclosure of Beta buddies was given at the meeting.

Members present were: Judy Bartel, Carol Cathey, B.J. Jones, Barbara Hente, Dorothy Simpson, Caroline Walsh, Candy Thompson, Marilyn Lumpkins, Vickie Thomas, Jan Monaghan, Linda Koenig, Kathy Farnbach and Terri Asadorian, who will host the June 11 meeting.

Wiser announce birth of daughter

Mr. and Mrs. Clyde (Alice) Wiser have announced the birth of their daughter, Melissa Dawn.

She was born May 14 at Barnes Hospital, weighed four pounds, 13 ounces at birth.

She has four brothers and sisters, Roy, Richard, Anna and Brandy.

Paternal grandparents are Mr. and Mrs. Robert Wiser of Granite City, Mr. and Mrs. Ernest Dickinson, the maternal grandparents, also reside in Granite City.

Fox-Forshee engagement

The engagement of Miss Genia Ann Forshee and William Donald Fox Jr. is being announced by the bride-elect's parents, Mr. and Mrs. Eugene Forshee, 2730 Grand Ave.

The groom-elect is the son of Mrs. Elina Fox, 814 Madison Ave., Madison.

Miss Forshee, a 1974 graduate of Granite City High School South, graduated from Jewish Hospital School of Nursing in 1978. She is employed by St. Elizabeth Medical Center as a registered nurse in the emergency room.

Her fiancé is a 1972 graduate of Illinois High School at Edwardsville.

The groom-elect is employed by Heintz Steel and Manufacturing Co. in St. Louis as a cost estimator in the engineering department.

The couple is planning a June 30 wedding.

Circus, parade drawing near

The potlatch of Aina Shrine Temple feels this year's circus given by Southern Illinois Shriners will be one of the best. And he looks forward to the big parades in Belleville on Friday night, June 1 and in Granite City on Tuesday night, June 5.

With more than 131 units in the parade, it is expected to take 1½ hours in passing.

Besides the units of Aina, there will be other Shrine units from Moolah Temple in St. Louis, Bands, floats, drum and bugle corps, circus scenes and many other units will be following the color guard.

Potentate R. H. "Dick" Ervay of Granite City and General Chairman Mark Moreton say they have everything ready for the three-day circus in Belleville and three more days in Granite City.

On Saturday, June 2, at 2 p.m., the show will open at the Belle-Clair Fairgrounds in Belleville that night at 7:30, it will be repeated. Again on Sunday, June 3, the circus will be presented—at 1, 4 and 7:30 p.m. On Monday night, June 4, it will open at 7:30 p.m. only.

On Tuesday, June 5, the 1979 Aina parade will kick off at 7:30 p.m. in downtown Granite City. A large crowd is expected.

The circus will be performing here at 7:30 p.m. on Wednesday, June 6, Thursday, June 7, and Friday, June 8, at the Tri-City Speedway.

The 85,000 nobles of Aina pride themselves on being the top temple in North America in the number of children aided at Shrine Hospitals for Crippled Children.

Belleville sent 31 children and Granite City 39 in the past 15 months, and Aina is supporting 51 children treated at the Burns Institute in Cincinnati.

Seven high school bands will be in the parade, including student musicians from New Athens, O'Fallon, Belleville, Freeburg, Granite City and Soldan of St. Louis.

Three grade schools, St. Mary's and Cathedral of Belleville, plus Millstadt, will send their bands. The Black Knights Drum and Bugle Corps will extend its years in the Aina parade to 15, having never missed any of the past parades.

There will be 22 competitive floats as well as the KMOX helicopter. Some live animal floats will contain llamas as well as chimpanzees, and there will be an old-fashioned calico.

Two are hurt in accident

Lisa Gruber, 19, 1605 Spruce, was admitted to St. Elizabeth Medical Center at 2:10 a.m. Saturday with a three inch cut to the forehead, a cut above the right eye and bruises to her forehead, nose and right hip.

Ann Morgan, 18, 1605 Clark Ave., was admitted at the same time with multiple bruises to her right side.

Miss Morgan was a passenger in a VW auto that allegedly collided with a train at the Granite City Steel railroad tracks on E. 20th St.

According to witnesses, the train was westbound on the tracks, flashing lights were operating and the train was sounding its horn.

The car was dragged about 50 feet before the engineer Gary E. Nichols, 37, of Edwardsville, could stop the train.

Schuler names council committee chairmen

Mayor Paul Schuler announced last week the appointment of standing council committee chairmen to serve during the city's 1979-80 fiscal year.

Under present procedure, the committees, customarily made up of three members each, are chosen by the council as a whole, with the chairman of each committee appointed by the mayor from among the three members named to each committee.

Schuler reappointed Paul Bowler of the Seventh Ward as chairman of the finance committee which has Aldermen Fred "Pat" Schuman and Warren Decatur as members.

Alderman Paul Fisk, newly elected in the Third Ward, was appointed chairman of the ordinance committee which also includes Aldermen Roy Poulos and Charles Douglas. The mayor named Michael Modrusic, also a newly-elected alderman, as chairman of the street and alley committee. Members are Decatur and Alderman Lloyd Bailey.

As chairman of the police committee, the mayor reappointed Alderman Everett Morlen of the First Ward. Earl Baker, alderman of the Sixth Ward, was reappointed chairman of the fire and water committee. Morlen's police committee includes Aldermen Mac Warfield and Sam Whitner. Modrusic and Morlen are members of the fire and water committee.

Decatur is chairman of the lights committee with Mrs. Margaret Nonn of the Fifth Ward and Baker as members. Schuman was appointed to head the council's

negotiating committee, with Decatur and Fisk as members.

Other chairmanship positions named by the mayor include: Lloyd Bailey, chairman of the intergovernmental committee with Baker and Glen Sprankle as members; Sam Whitner, ambulance committee; Warfield and Bowler.

Bowler, planning and zoning; Fisk and Douglas; Schuman, air pollution; Sprankle and Modrusic.

Sprankle, pollution plant; Morlen and Nonn.

Warfield, special sewer; Nonn and Morlen.

Poulos, traffic-Decatur and Morlen.

Sprankle, city hall; Whitner and Poulos.

Whitner, sanitation; Douglas and Nonn.

Bailey, city buildings; Modrusic and Bowler.

Nonn, downtown-Bailey and Douglas.

Fisk, rehabilitation.

Baker, safety-Poulos and Sprankle.

In addition, Mayor Schuler appointed an ad hoc committee of five members, including himself as chairman, to handle further developments toward construction of the downtown overpass.

The committee includes Aldermen Bailey, Nonn, Sprankle and Decatur.

Wilkins honored

Seven students have been recognized as newly inducted members of the Skulls of Seven, an elite organization of seniors whose purpose is to "guard the traditions of Westminster."

The students honored this month at an awards convocation held on the Westminster College (Fulton, Mo.) campus included George Wilkins.

The son of Dr. and Mrs. George T. Wilkins Jr., he is currently the president of the Interfraternity Council.

Charged with fleeing supervision

James J. Hill Jr., 18, 1710 Cleveland Blvd., is being held here awaiting authorities from the Southern Correctional Region of Illinois.

Police arrested Hill on a warrant charging him with fleeing parole supervision. He was found at 9:40 p.m. Saturday under a bed in the back bedroom of his residence.

Police said they noticed Hill and a Sharon Jeanine Oliver, 23, sitting on a couch. When authorities went to the door Miss Oliver allegedly denied knowing his whereabouts and she was charged with obstructing justice. She was released on \$35 bond.

FINDING IT EASIER to carry the tricycle than ride it during the annual tricycle race at the Southern Illinois University at Edwardsville Springfield, John Palchiff finished second in the race.

Textbook program aids schools here

The Illinois Textbook Loan Program has issued nearly one-quarter million dollars worth of textbooks to the public and non-public schools in Madison County, including more than \$45,000 worth in the Quad Cities.

The General Assembly of Illinois appropriated \$9 million for the 1978-79 school year, through which public and non-public schools could purchase textbooks for their schools, after eligible students' requests.

Stepstoe looks back on '79

By PETE HAYES
Sports Editor
of the Press-Record

CHARLESTON — Charles Stepstoe had a glazed expression on his face as he looked out from the cold, wet dugout at O'Brien Field here Saturday.

He was watching his star athlete — Earnest Davenport — being interviewed by reporters after winning his second straight 440 yard dash state championship.

"Earnest," he shouted. "Get in here out of the rain! Get your sweat on!"

Davenport ran in out of the steady downpour which had engulfed Charleston since shortly after the finals began. Stepstoe told him to rest in out of the cold before he had to get ready for his next event, the 220 yard dash.

Stepstoe wasn't in the best of spirits. His Madison track team — one of the pre-state meet favorites — was having its chances washed away, like the rain on the artificially-surfaced track at Eastern Illinois University.

Only two of his team's four relay squads qualified for Saturday's finals. One of them was nipped at the wire in a photo-finish and came in second. "I guess it's sort of fitting that the weather's had today," said Stepstoe. "It puts an end to a wild track season."

Stepstoe was referring to the fact that his team had to battle the weather more than any opponent this season. After a fairly good start, the team was slowed by rain and cold weather midway through the season, when morale became a problem.

But as he watched the activities out on the field Saturday, Stepstoe paused to

reflect. "I guess we can't complain too much," he said. "After all, some of the times we ran this season were incredible. I think we probably peaked too early." Stepstoe nurtured the 1979 Madison track team for four years — since most of them were freshmen. He had watched them become a state power and hoped to take the state championship home to Madison High this year. But such was not to be the case.

"Things just didn't work out for us this weekend," he said. "I don't know exactly what it was. I guess it was a combination of things."

The Madison team did not stay in Charleston Friday night after the preliminaries. The senior members of the squad attended their graduation ceremonies at MHS. They then piled back in a bus Saturday morning for the long drive to Charleston. Did the extra trips have an effect on the outcome?

"I don't think so," Stepstoe said. "But even so, they only graduate one time from high school. I think I'd do it the same way if I had it to do over again."

Before the 440 yard relay, the four members of the squad — James Heard, Sylvester Collins, Earnest Davenport and Marcus White — gathered in a corner of the field, joined hands and bowed their heads for a full minute. "They've been doing it before all the big meets this season," said Stepstoe. "They've been together for four years or more and have become very close."

Stepstoe paused for a few seconds before continuing. "Track is a very individual sport," he said. "But in Madison, it's a team effort."

Illinois shocks Missouri 96-92

ST. LOUIS — The Illinois basketball all-stars pulled off an upset over heavily favored Missouri here Friday night at the Checkerdome, 96-92.

The victory was the second in three games of the short series and made up for a setback last year when it was heavily favored.

The game featured the best seniors from the Illinois metro St. Louis area and the Missouri side of the Mississippi River.

In a preliminary game, the Missouri girl all-stars outclassed the Illinois girls 86-50 in the first-ever girls all-star game.

The game looked like a blow-out in the first quarter. Missouri had leads of as much as 12 points much of the way. But Illinois hung tough and stayed within range.

The Illinoisians came back to tie the score at 31-all at halftime, only to trail at the end of the third quarter 75-72.

Illinois grabbed the lead for good with 5:10 remaining. The players for the game were selected from the Class AA-Class A Illinois all-star game held at Belleville East High School.

Venice's Ron Salmond played, blocked one shot, but did not score.

SPRINGFIELD — It took three days and two trips to the state capital, but Granite City North's baseball Steelers advanced to the championship of the Springfield sectional tournament over the weekend.

The Steelers moved into the final game with Normal High School tonight with a 7-2 win over Springfield High's Senators.

The game began as scheduled Saturday in a moderate but steady rain. North had jumped to a 3-2 lead after four and one-half innings. But then the sky burst and the rain forced postponement.

The Steelers went home contemplating the three-run lead, then returned Monday and picked up where they

left off. They held the Senators scoreless for the remaining three innings, while they added two more runs.

What goes through a coach's mind when his team has a day off in the middle of a game? "First of all, you worry about momentum," Bob Stegemeier said. "We had them pretty much in control Saturday, we let up a little in the fourth, but you don't want to lose that."

North apparently lost nothing over the break. It came back into town with the same hot bats that it left with Saturday.

The Steelers have been hard on opposing pitchers all year long, and Springfield's hurlers weren't spared.

North scored in each of the three innings it batted

Saturday. In the first, Jeff Stamper scored, after he had bunted his way on and advanced on a single and wild pitch, when Bob Ford hit a sacrifice fly to the right fielder.

In the second, Mike Robertson singled, went to second on an infield out, then scored on an errant pick-off attempt by the Senators' catcher.

But North's most productive inning was the third, thanks to a shot by Larry Burns. With two outs and Stamper at third and Ford at first, Burns drove

the ball over the ten-foot high fence in left field.

Steve Doty, North's starting pitcher blanked the Senators on two hits through the first three innings, despite the constant rain, while the Steelers were busy at the plate.

But in the top of the fourth, the Senators put together three hits for two runs.

The inning started with three sharply hit balls toward third. The Steelers' third baseman Robertson dove to his right to pick off the first. He left his feet again to grab the next, but

his throw to first was too late. Then the third hit went through the hole.

It left Springfield runners on first and second. Stan Yutzy loaded them for the Senators with a walk. Then Jim Torrell hit the ball on the ground to second. By then the field had become treacherous, and North's first baseman Dennis Page slipped covering the grounder.

Doty, who covered first on the play also slipped, and Page's throw went into right field. Both Doug Jones and Mark Bridges scored on the

play for the Senators.

Then the rains came. Doty needed only one out to finish the inning, so through the downpour he faced Craig Jeffries, who finally popped out to the left fielder.

With the puddles forming around the infield, the officials decided to postpone the remainder.

The teams returned Monday to perfect conditions. "I think if we had played the whole game under these conditions there might have been some difference," Springfield's

Davenport defends championship

Madison fourth in state track

By PETE HAYES

CHARLESTON — It was fitting that the weather here was cold, rainy and windy Saturday for the finals of the Illinois High School Association State Track and Field Meet. It was especially fitting for Madison High School's Trojans.

The Trojans entered the meet as one of several favorites to take the team championship. They finished second last year. But a combination of "little" things added up to trouble for Madison as it finished fourth in the Class A (small school) meet.

Granite City North's Aaron Hickam and GC South's Dave Houston both went to the state meet, but did not qualify for Saturday's finals.

Friday, Madison qualified only two of the four relay teams it sent to state for Saturday's finals. In fact, going into the Saturday events, only those two relay teams and Earnest Davenport remained in contention the 440 and 880 relays and Davenport in the 220 and 440 yard dashes). The remaining Trojans gave it all they had.

Davenport successfully defended his state championship in the 440 and finished fourth in the 220.

The 880 relay team finished fifth and the 440 yard relay team was edged into second place by Gibson City in a photo-finish.

In that 440 yard relay, it seemed as if going to be a battle between Madison and Walther. Lutheran coming out of the final hand-off. But Gibson City's Roy Acree came out of nowhere to nip Trojan Marcus White at the wire. It seemed like a dead-beat to the thousands of fans watching, but a look by the judges at the photo of the finish gave the victory to Gibson City.

Madison's Marcus White looked as if he was about to collapse from the pain after. But he held his ground. "I came from the (Acree) came from," he said. "I didn't think he was anywhere around."

"But if I'd have known he

was coming up on me, he wouldn't have caught me."

James Heard has started the relay off giving Madison a slight lead over Walther Lutheran when he handed the baton off to Sylvester Collins who held on to the lead. Davenport added to it.

As Acree hit the tape, he knew he had won it. The judges did not have to tell him. He raised his baton

above his head as a sign of victory. "I got the baton about two yards behind White. I really didn't know if I could catch him or not, but I was hoping I could."

But Davenport gained some recourse when he won the 440 yard dash title in a time of 48.37 seconds, his best this season. He won the event last season in 48.60.

place honors went to Gibson City's team. Madison finished fourth as a team in the Class A State Meet held Friday and Saturday at Eastern Illinois University in Charleston.

Taylor inks with Cougars

EDWARDSVILLE — Ken Taylor, a three-year starter for the Fairfield, Ill., High School basketball team, has signed a letter of intent to enroll at Southern Illinois University at Edwardsville this fall, Cougar Cage Coach Jim Dudley has announced.

Taylor, who Dudley says will be a wing man in the SIUE attack, stands 6-3 and weighs a sturdy 190 pounds. He averaged 21.2 points per game his senior year under Coach Bill Garrett, while averaged better than 20 points per contest in his three-year career.

Taylor also set a three year career scoring record at the school, accumulating 1,700 points, and shot 51 percent from the field, while he was a 63 percent shooter from the free throw line. Taylor also averaged more than nine rebounds per game

his senior campaign. He was a member of the Fairfield team eliminated by Madison this year in the Class A Super Sectional.

Among the many honors bestowed upon Taylor his senior season were: Eldorado Holiday Tournament first team, North Egypt Conference first team, Decatur Herald all-area team, an Associated Press honorable mention to the all-state Class A team, and he was selected by the Illinois Basketball Coaches Association Class A south all-star team, as well as to the first annual Southern Illinois Pizza Hut all-star team.

Dudley says of Taylor, the sixth eager to sign a letter of intent to SIUE this spring: "Kent's a fine student as well as an excellent all-around athlete."

State track meet - 1979

CHARLESTON — Madison had hoped for more than its fourth-place finish here Saturday at the annual Illinois High School Association State Track and Field Meet at Eastern Illinois University. But fourth isn't too bad.

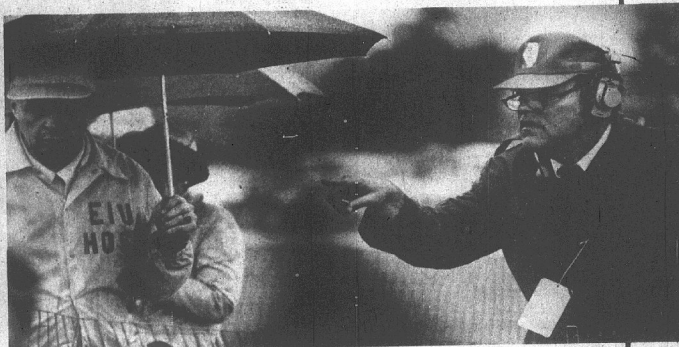

The Trojans of Madison had a second-place finisher (the 440 relay team), a fifth-place finisher (the 880 relay team), a fourth-place individual (Earnest Davenport in the 220 yard dash) and an individual state champion — Davenport in the 440 yard dash

for the second year in a row.

But there were some disappointments, too. A missed baton handoff in the 880 relay could have cost Madison a higher finish. The wet and cold weather put a damper on the performances and the athletes' spirits.

But on the way back to Madison Saturday night in the school bus, the Madison Trojans couldn't help but think about what might have been.

It's a favorite pastime among those who compete.

**Fate of baseball
dubious at Venice**

Lack of interest coupled
with the number of rained-
out games were the main
reasons cited by Venice
Coach Ken Perkins in
recommending the
elimination of baseball from
the sports activity schedule
at Venice schools in a letter
to the board of education.

"I have noticed the lack
of interest in baseball over
the past 10 years and the
question is whether it is
really worth our continuing
to make an effort," Supt.
of Schools Robert N. Vickers
said to the Venice School
Board last week.

"It appears our boys and
coaches are motivated
toward basketball, rather
than baseball," he added,
but also noted that quite
a number of youths turned
up at the start of the baseball
season.

"It didn't seem as if there
was too much practicing
going on and there were
quite a few rained-out
games," he said.

Board Member Raymond
Moody disagreed with the
coach's recommendation,
saying "I feel it should be
left open to the students."

Larry Boyd, also a board
member, offered the com-
ment that "it is too late to
start baseball interest in
high school. Maybe we
should go down to the junior
high level and start there."

"We should think of
baseball the same way we do
in basketball and start
earlier," he said.

GRANITE CITY - After a

Hoffman of Des Moines,
Iowa, held off a determined
Larry Phillips of Springfield,
Mo., to take the \$2,000 50-lap
feature of the first annual
"Tombstone Rally" at the
Tri-City Speedway last night
in the late model division.

Hoffman, who started on
the second row outside, took
over the lead on lap 20 when
race-long leader Tommy Joe
Pauschert of Carlyle, Ark.,
lost control of his car and spun
into the inside track barrier.

Four laps later, Ron
Fisher of Centuria, Ill., lost
control of his car and spun
into the inside track barrier
in the number one turn
heavy traffic resulted in a
five-car pileup, forcing a red

Billy Collins of Elmhurst, Mo.

Drivers that were involved
in the mishap included
Fisher, C. C. Corbin of East
Alton, Ill., Tom Hehrich of
Hastings, Ind., Ed Dixon of
Washington, Mo., and Rich
Standridge of Springfield,
Ill. All of the Drivers were
OK and everyone of them
returned to the race except
for Hehrich and Corbin.

On the restart, Phillips

the book he knew but with
some fine driving by Hoff-
man, Phillips just couldn't
get around him.

Madison
(Continued from Page 13)

however, Madison placed
fourth in the event.
The boys were three different
explanations of what might
have gone wrong on the
handoff - Heard's, White's
and that of Madison Coach
Charles Steptoe.

"I just couldn't find his
hand," said Heard. "He was
not moving it back and
forth and with the rain, I
couldn't make connections."

White had a different view.
"I just took off too early," he
said. "When I did, I saw
some of the other runners go
by and I guess I got a little
confused."

Steptoe's explanation: "I
think Marcus looked back for
the baton and that's
something you're not sup-
posed to do."

"It's the little things like
missed handoffs that I've
been thankful we haven't
had this season. I guess our
luck ran out today."

Madison's two mile relay
team of Raymond Peice,
Tony Mayes, Alvin
Bankhead and Cecil Cross,
which had the fastest time in
the state going into the state
meet, failed to qualify
Friday when it ran a slow
3:46.85, nearly 22 seconds
slower than its district time
of 3:11.9. "I don't know what
happened to them," said
Steptoe. "I guess we just
didn't come ready to run."

Ed Dixon of Madison
failed to make it to Satur-
day's events when he ran a
4:50 in the 330 yard low
hurdles. Sylvester Collins
fell short with his lap of 19-7
in the long jump and Troy
Butler didn't make it to
Saturday's event when he
leaped 43-1/2 in the triple
jump.

was the game with
Missouri for the Under-18
team that was the "main
event." The Illinoisans
completely dominated their
foes from the St. Louis area.

Barbachen from Belleville
East, playing striker, was

TONY PIERCE

the leading scorer as far as
Southern Illinois players were
concerned. He popped in two
goals. David Fernandez from
Granite City South had one
goal.

Fernandez and Granite
City North's Jeff Demott,
playing at midfield, were the
keys to the Illinois victories.
They constantly found open
forwards streaking toward
the goal with pin-point
passes.

RANDY DEROUSSE

South's Jack Burnett and
Randy Derousse played
every minute of every game
and dazzled fans with their
expertise and hustle.

In goal Sunday for Illinois
was North's Tony Pierce. He
allowed only one goal
(against Missouri). The
reason he did not play
Saturday was that he was in
Springfield, Ill. for North's
Sectional baseball Tourna-
ment game.

Hoffman wins 'Tombstone'

By JEFF EAVES
for the Press-Record
GRANITE CITY - After a
yellow flag on lap 4, Don
Hoffman of Des Moines,
Iowa, held off a determined
Larry Phillips of Springfield,
Mo., to take the \$2,000 50-lap
feature of the first annual
"Tombstone Rally" at the
Tri-City Speedway last night
in the late model division.

Hoffman, who started on
the second row outside, took
over the lead on lap 20 when
race-long leader Tommy Joe
Pauschert of Carlyle, Ark.,
lost control of his car and spun
into the inside track barrier.

Four laps later, Ron
Fisher of Centuria, Ill., lost
control of his car and spun
into the inside track barrier
in the number one turn
heavy traffic resulted in a
five-car pileup, forcing a red
flag to be thrown by flag man
Billy Collins of Elmhurst, Mo.

Drivers that were involved
in the mishap included
Fisher, C. C. Corbin of East
Alton, Ill., Tom Hehrich of
Hastings, Ind., Ed Dixon of
Washington, Mo., and Rich
Standridge of Springfield,
Ill. All of the Drivers were
OK and everyone of them
returned to the race except
for Hehrich and Corbin.

On the restart, Phillips
who races on the USAC
circuit, did everything in
the book he knew but with
some fine driving by Hoff-
man, Phillips just couldn't
get around him.

Madison
(Continued from Page 13)

however, Madison placed
fourth in the event.
The boys were three different
explanations of what might
have gone wrong on the
handoff - Heard's, White's
and that of Madison Coach
Charles Steptoe.

"I just couldn't find his
hand," said Heard. "He was
not moving it back and
forth and with the rain, I
couldn't make connections."

White had a different view.
"I just took off too early," he
said. "When I did, I saw
some of the other runners go
by and I guess I got a little
confused."

Steptoe's explanation: "I
think Marcus looked back for
the baton and that's
something you're not sup-
posed to do."

"It's the little things like
missed handoffs that I've
been thankful we haven't
had this season. I guess our
luck ran out today."

Madison's two mile relay
team of Raymond Peice,
Tony Mayes, Alvin
Bankhead and Cecil Cross,
which had the fastest time in
the state going into the state
meet, failed to qualify
Friday when it ran a slow
3:46.85, nearly 22 seconds
slower than its district time
of 3:11.9. "I don't know what
happened to them," said
Steptoe. "I guess we just
didn't come ready to run."

Ed Dixon of Madison
failed to make it to Satur-
day's events when he ran a
4:50 in the 330 yard low
hurdles. Sylvester Collins
fell short with his lap of 19-7
in the long jump and Troy
Butler didn't make it to
Saturday's event when he
leaped 43-1/2 in the triple
jump.

Complete state results in
Scoreboard.

Finishing in the third
position was Tom Laster of
Muskegon, Okla., who was
batting with Phillips and
Hoffman until his tires gave
out.

Finishing fourth thru tenth
was Joe Ross of
Mechanicsburg, Ill.,
Sanders of Muskegon, Okla.,
Kevin Gundaker of St. Louis,
Tom Bartholomew of
Waterloo, Iowa, Roger Long
of Pithian, Ill., Tommy Joe
Pauschert and Johnny Prior
of Centuria, Ill.

A record 50 cars took part
in qualifying and Tommy
Joe Pauschert of Carlyle,
Ark., was the fastest
qualifier and in doing so he
set a new track record with a
25.36 clocking on the half
mile track erasing the old
record of 26.35 set by Jim
O'Connor of Chicago in 1976.

The races, which was
promoted by Gil Rimeil, and
an estimated crowd of about
5,200 saw some very exciting
racing throughout the
program with the two semi
finals and a handicap event
for the late models and a 20-
lap sportsman feature and
three heats races.

In the first 20-lap semi
race in the late model
division, the winner was
Roger Long of Pithian, Ill.
Long was followed by Ed
Dixon, Len Gittermeier of St.
Charles, Mo., Terry Sloan of
DeSoto, Mo., Jim Thompson
of Belleville, Ill., and Bert
Griffin of East Alton, Ill.

North
(Continued from Page 13)

coach John Staats said.
"North is definitely one of
the best teams we've seen
all year. It's just a shame
that the weather was so
lousy."

But the sunshine didn't
really change things all that
much.

North put two men on in
the fourth, and Tommy Joe
Pauschert, who was the game
picked up, but they were
stranded when Springfield's
Jefferies made a diving
catch in center for the third
out.

But in the fifth North
added two runs. Robertson
drove home Ford, who had
reached on an error by the
shortstop, with a squeeze
bunt, and Greg Faulkner
singled home Burns, who
had reached on a fielder's
choice.

Faulkner relieved Doty
when the game resumed. He
pitched out of the first and
third threat in the fifth, but
allowed only one other hit.
Tony Mayes (Faulkner) had two
strike-outs and they didn't
hit the ball that hard," said
Steptoe. "When you have
three-run lead, you just
put the ball in there. You
can't ask for much more
than that."

Staats left the game with
obvious respect for the
Steelers. "I think the two
best teams played here
today. Our record (16-3)
shows that we have the
credentials, and from what I
saw of North I think they do
too."

The second 20-lap semi
race was taken by Noel
Wichter of Indianapolis, Ind.
He was followed by Johnny
Prior of Centuria, Mo.,
Dick Taylor of Springfield,
Ill., Rick Standridge and Bill
Myers of East Alton, Ill.

The 10-lap handicap with
the fastest ten cars was won
by Larry Phillips of
Springfield, Mo. Phillips was
followed by Mike Wallace of
Waterloo, Iowa, Bill Sanders,
Kevin Gundaker, Joe Ross
and C. C. Corbin.

In the sportsman division
with a record of 31 cars
entered was good racing
indeed with three heats and a
20-lap feature.

The first 8-lap heat went to
Roy Tobias of Elmhurst, Ill.
He was followed by Don Holt
of Vandalia, Mo., Kevin Goss
of Brighton, Ill., and Joe
Waterman of East Alton, Ill.
Humphrey Sr. of Dupu, Ill.,
and Tom Odum of Collin-
sville, Ill.

The second 8-lap heat of the
three was taken by Gary
Wilson of Bowling Green, Mo.
Wilson was followed by
Rob Jones of Creve Coeur,
Mo., John Seets of Godfrey,
Ill., and Dan Tourney of
Bowling Green, Mo.

In the 20-lap feature, Gary
Wilson of Bowling Green, in
his 1969 Chevrole, started on
the first row inside and led
every lap. He had no
problem in winning his third
feature of the year.

**Don Freeman speaks
to Urban League**

VENICE - Fromer
Madison High School
basketball star Don
Freeman spoke here
Thursday to the annual
meeting of the Madison
County Urban League held
at the Venice Recreation
Center. What he had to say
was pertinent to many
members of the audience -
the youths of Madison and
Venice.

Freeman, who later went
on the play basketball at the
University of Illinois and in
the professional ranks, spoke
of opportunity - and how to
make the best of it.

"You've got to take ad-
vantage of every single
opportunity that comes your
way," said Freeman. "I had
something I could do. Play
basketball."

"But I had wanted to play
professional basketball from
the time my parents got my
very first television set. It
was what I wanted. I got it."

Freeman went on to say
that young people should
also take advantage of
another opportunity -
Reading.

"It's surprising," he said,
"but many, many of the
young men and women who
graduate from our schools
can't read. You've got no
idea the opportunities
learning to read can give
you."

I, to be honest, did just
enough to get by in some
of my classes in high school.
But many times later on I
regreted it. I have great
respect for people who read
and read well."

The guests of honor at the
luncheon meeting were the
varsity boys and girls
schools.

Freeman, who later went

Efficiency, economy, service must be the goals of new board majority if there is to be public support

Whither the Metro-East Sanitary District, the successor agency of the East Side Levee and Sanitary District founded in 1977?

Only time will tell, but accountability to citizens and taxpayers must be kept uppermost. It is the lack of such accountability, the absence of a cohesive district responsive to the needs of its electorate — that has led to so much mismanagement and waste over the years.

In series of articles at various times, the Press-Record outlined existing abuses and proposed reforms that could have more nearly assured a dollar's worth of stormwater drainage service for each dollar expended.

We recall testifying before legislative committee hearings on ways that bidding, purchasing and hiring procedures could be improved. We also recall serving on a governor-appointed citizen panel that developed a workable plan for dividing the district primarily along the Madison-St. Clair counties line, in a manner that would have included in the local entity jurisdiction over the riverfront pumping facilities linked to Madison County ditches and pipes.

The spending-hiring concepts perhaps too idealistic for the Illinois General Assembly? — failed to garner sufficient support. The subsequent split-the-district plan won overwhelming approval in the Illinois House and Senate and was signed into law before being hit by a State Supreme Court "torpedo." The same court now has upheld for the first time the local community's right to a 3-2 majority on the appointed Sanitary District board. The cynical can say this doesn't mean much because when Sheriff Kennel's Ogle of Granite City was Levee Board president (serving on the board with four St. Clair Countyans) there was no meaningful improvement in the way

the district functioned. But it was a different era, and the 1-4 margin of representation was not a true test of how well Quad-Cityans will run the district.

The drive to divide the district stemmed from the fact that Quad-City tax base of homes and businesses being drained through excessive expenditures that often were not targeted at real problems.

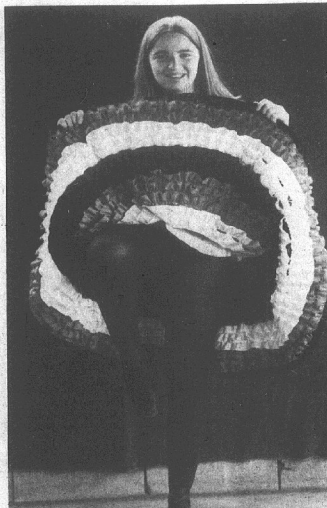

While it is true that some of the artificial drainage flow crosses the district boundary line, bolstering the argument for a single district, we tend to defend the right of the affected taxpayers to try to defend themselves. "That's easy for you to say," they might well tell outsiders who have contrary opinions but no tax bills whatever to pay the district.

Whether the two-district plan will be approved by Illinois legislators is uncertain, but the prospects have blossomed now that East St. Louis and environs political leaders have withdrawn their opposition (simultaneously with their loss of control of the Sanitary District).

The 3-2 Quad-City edge, as noted, is the first local majority. For many months, litigation kept a third St. Clair County man on the board, and the 3-3 tie worked to the advantage of the southern half of the district due to the policies and actions of the top administrator, an East St. Louisian.

His spending attitude and political approach show clearly that he should be replaced by another engineer (an occupation required by the law creating the Sanitary District). Maybe then the board can get away from its costly pattern of a dozen or more meetings per month.

Service efficiency and economy must be emphasized. If they are not, the public is going to have a lot to say to the Sanitary Board members and to the Madison County Board, which confirms their appointments.

Missouri Ave. closing for crossing work June 4-15

The Illinois Department of Transportation reports that part of FAU Route 9097, Missouri Avenue, south of Pontoon Road, Granite City, will be closed to through traffic from June 4 through June 15.

Through traffic should use the newly-marked Illinois Route 3, west of Missouri Avenue, a spokesman said. The closure is necessary due to reconstruction of the Illinois Terminal Railroad at the A. O. Smith Corp. plant.

The crossing is being reconstructed with rubber crossing materials by railroad forces in accord with terms of an agreement with the Illinois Department of Transportation in order to provide a smoother and safer crossing.

Signing and traffic control devices will be provided to guide motorists. The department is requesting that motorists "be patient and cautious when traveling," in that area.

Mrs. Jane Bolton dies

Mrs. Jane Bolton, 31, 8 Polk Place, Cherry Point N.C., died at 6 p.m. Sunday. She formerly lived in Granite City for 23 years and graduated from Granite City High School.

She was survived by her husband Burl Bolton, a U.S. Marine stationed at Cherry Point; one son, Timothy, age 10; one brother, Eldon Craft of Granite City and her parents Mr. and Mrs. Eldon Craft of Granite City.

Olen 'Debs' Smith dies

Olen "Debs" Smith, 56, 1175 Lola St., died at home, while sleeping in his chair, at 11:25 a.m. Sunday. His wife, Mrs. Ruth Smith, went to wake her husband from a nap and discovered he was dead.

David Partney, deputy coroner, pronounced him dead a short time later. Born in Kennett, Mo., he had lived here 15 years. He was employed at the Chevrolet plant in St. Louis for 26 years as a driver.

Pontoon approves 208 plan

The Pontoon Beach Village Board has become one of the first governmental bodies in this area to indicate it will accept responsibility for enforcement of federal clean water regulations within its boundaries and will participate in an area-wide water quality management plan.

The board has approved a resolution, prepared by the policy steering committee of the Southwestern Illinois Metropolitan and Regional Planning Commission (SIMARPC), which indicates the village's willingness to accept designation as a management agency for Public Law 208, which calls for all lakes and streams in Illinois to be "fishable and swimmable," in the near future.

Granite City aldermen recently tabled the SIMARPC resolution, fearing that designation as a management agency could become costly in the future, unless federal or state funds are provided for inspection fees and other costs related to enforcement of the clean water regulations of the 208 Act.

Granite City aldermen also expressed concern over the area-wide plan which calls for cooperation between Madison, St. Clair and Monroe counties, fearing a situation similar to the Metro-East Sanitary District, where this county has been dominated by St. Clair County.

In other business, the village board has agreed to participate in a survey to determine damages incurred by floods from March to May of this year. The county will join village officials in conducting the damage survey and results will be submitted to Ed Harris, representative of the Emergency Services and Disaster Agency in Edwardsville.

It is hoped the village will qualify for aid from the Federal Disaster Assistance Commission for flood damages.

Four members were named to the village's zoning commission, replacing three members who resigned after the April village election and

water regulations of the 208 Act.

one member, Robert Vincent, who was named zoning administrator for the village.

Resignations were submitted by Bill Fine, Roger Sutton and Julian Gilliam. Named to the board were Regina Sutton, Neva Lucas, Lee Hildegarde and Bill Ross. The length of their terms is yet to be approved by the village board.

Donald C. Rea, chairman of the village's police committee, announced his committee is investigating the possibility of leasing patrol cars, rather than purchasing them. He is to report back to the board before budgets are prepared.

The board also agreed to advertise for bidders to purchase a 1976 Ford Torino police car no longer used by the village.

An ordinance approving a franchise with Southwestern Cable TV, Inc., was approved which will extend cable television service to the village. The ordinance is similar to one approved previously by Granite City with the same firm. Service is expected in less than one year.

Donald L. Hall, 56, dies

Donald Lee Hall, 56, of 4932 Carl St., died at 11 a.m. Friday in Jewish Hospital, St. Louis, where he had been a patient for two days. He had been ill for the past six weeks.

He was born in Granite City and operated a service station for a time. He had been employed at the Defense Mapping Agency Aerospace Center, St. Louis, as a mechanic. Mr. Hall was a World War II veteran.

He is survived by his wife Mrs. Lillian Hall; three daughters, Mrs. Donna Schaffer of Alabama, Mrs. James (Charlene) Burgess of Charleston, S.C., and Mrs.

Thomas (Deborah) Herd of Granite City; one stepdaughter, Mrs. Michael (Cynthia) Marion of Granite City; one step-son, Mark McClanahan of St. Louis; two brothers, Carroll Hall of Granite City and Walter Leo Hall Jr. of Fort Worth, Texas; four sisters, Mrs. Dale (Thelma) Boyer of Springfield, Mo., Mrs. Gail (Velma) Arns of Fort Worth, Mrs. Leon (Dorothy) Whitehead and Mrs. Harold (Mary Ruth) Scarborough, both of Granite City; and 12 grandchildren.

Killed in Missouri crash

David H. Henson, 24, of Black Mo., son of Mr. Helen Henson of Granite City, was killed at 2:30 a.m. Monday when the pickup truck he was driving went out of control on Missouri Route 49, about a mile east of Black Mo. The Missouri Highway Patrol reported Mr. Henson's car left the highway and overturned several times, throwing the driver from the vehicle. He was pronounced dead at Arcadia Valley Hospital at Ironton, Mo.

He also is survived by a sister, Ronda Fiechel of Granite City. Mr. Henson was employed as a laborer in construction of the nuclear plant in Calloway County, Mo.

APARTMENT FIRE

Fire did an estimated \$2,000 damage to the building and \$2,000 to the contents of the apartment of Frank Townsend, 4000 Gaslight Walk, at 3:19 a.m. Monday. Cause of the fire is not certain, but a fire department spokesman said it might have been a cigarette left burning. There was 48 Long Lake furniture at the scene for an hour.

Venice board asks staff cooperation

With the dismal financial outlook in the Venice School District, especially bleak during July, teachers there were being asked last week to forego severance pay for the time being and to allow additional pay, received as program sponsors, to be temporarily withheld.

Cooks and custodians also were being asked to forego extra cost of living pay until the 1978 tax money is received in August, Supt. Vickers said.

The teachers and other employees involved appear to be receptive to the proposal, he told the board.

Man tries out gun, train crew ducks

Receiving a report from an Illinois Terminal Railroad train crew that an unknown gunman fired shots at the engine at 10:35 p.m. Thursday, Granite City police and an ITR Railroad detective found the source of the shots was from the Feralloy Corp., located at 2500 Nameoki Drive.

The train crew reported seeing two men standing by a door at the plant at the time they heard the shots and said they ducked down. A Pontoon Beach man, employed at the plant, said he was interested in purchasing the weapon, a .38 caliber Colt, and went with the gun's owner to a rear door of the building and fired two shots into the ground as a test.

He decided against purchasing the weapon, the man said. Police cautioned him about firing a gun at that location.

CHILD STRUCK

Juria Foinhaber, age 4, was treated at St. Elizabeth Medical Center at 5:10 p.m. Sunday and transferred to Cardinal Glennon Hospital. She has a swollen right eye, nose bleed and abrasions to both knees. She was struck by an auto driven by Ruby L. Ingram, 27, 14 Grenzer Homes, Madison, at 5 p.m. in the 1600 block of Collinsville Ave. According to the child's father James Melton, the driver could not have seen the little girl run into the street.

FALLS FROM WINDOW

Jeffrey Taylor, 3, of 2908 Kirkpatrick Homes, was admitted to St. Elizabeth Medical Center after he fell from a second-story window about 8:15 a.m. Monday. He suffered a cut to his mouth and abrasions to his right cheek and both legs and was admitted for observation after x-rays were taken.

RAILROAD HEARING

An Illinois Commerce Commission (ICC) hearing is scheduled at 1 p.m. Thursday at the Madison City Hall. The topic of the hearing is the condition of the numerous railroad crossings within the City of Madison. The Madison City Council and Mayor Mike Sasyk asked for the ICC hearing as they allege that the Illinois Terminal Railroad is not maintaining the tracks in a safe condition.

News notes

Candidates for SIU chancellor have been reduced to ten.

Babies shots for pets will be given from 5:30 to 7 p.m. Thursday at the Madison city garage on Third Street and during the same hours June 5 at the Granite City animal shelter.

More than 1,000 Quad-Cityans graduated from high schools during the weekend. Scheduled outdoor commencement exercises at the GCHS South were held in the gymnasium due to rain Saturday night.

Hospice nurse training will begin tomorrow from 6 to 9 p.m. at St. Elizabeth Medical Center, and volunteers will be trained there June 4 from 7 to 9 p.m. Orientation talks were given last week.

SOUTH BOOSTERS

Members of the Granite City High School South Boosters are being asked to attend a meeting today at 7:30 p.m. in the school cafeteria. The agenda will include a discussion of the 1979-80 school year and the coming Fourth of July celebration at Wilson Park.

Oaklawn Terrace

47 Janday Lane Granite City, Ill.

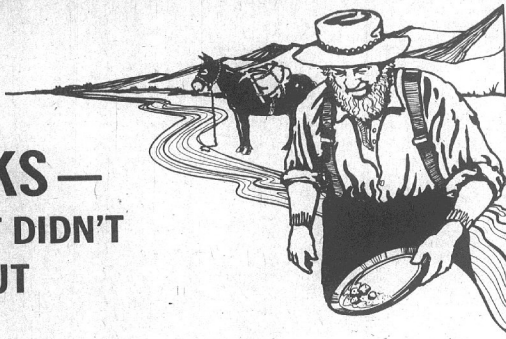

Observe and come see this brand new brick ranch home in Granite City's loveliest location. The Spacious landscaped corner lot allows you the elbow room for that estate feeling. Like the smell of a new car, the aroma is repeated in the casual atmosphere of over two thousand square feet of living area. The extreme formality in the chandelied dining room, living room and entry will say nice things about you when guests arrive through the columned porch. Combined kitchen and family room with vaulted ceiling and floor to ceiling masonry fireplace promise everlasting contentment. Extra large roofed back porch can be enclosed for privacy and lounging throughout the year. The deep basement is ready for finishing and has a masonry fireplace of its own. Side entry finished garage will hold what you have and up to four cars. It has two electric doors. There are three generous size bedrooms; including a grand master suite, with full bath and three double closets. Another full hall bath services the other two bedrooms with double closets. White six-panel doors are used throughout the home. Jenn-Air range, microwave plus oven, dishwasher, disposer and pantry are in the kitchen with breakfast bar cabinet. Oversize gas furnace with central air will always be replaced by firmly packed energy saving package. Once you open the stained glass entry doors we know you'll find exactly what you've been waiting for.

What you should know about air conditioning

Some manufacturers of heating and cooling equipment have begun to use aluminum tubing in conditioning coils. Now aluminum is great for some things, like beverage cans, lawn chairs, etc. But coil tubing isn't one of them.

Lennox uses only dependable, proven copper tubing. Copper costs a little more, but the advantages are well worth it. Copper is easier to work with, less breakable, easier to make tight joints with.

Lennox enjoys a high quality reputation unsurpassed in the heating and air conditioning industry. We didn't get it by skimping on materials. It's just one more reason to see your independent Lennox dealer for all your heating and air conditioning needs. Call:

ON WEDNESDAY, June 13, 1979, at 1:15 p.m., the Board of Zoning Appeals will meet at 2301 Adams Street, Granite City, Illinois, to consider the petition for the variation in the zoning laws to allow construction of an unattached garage 3 ft. from the side line on property at 2309 Terminal, Granite City, Illinois, dated this 25th day of May, 1979. Signed: George R. Donohue. 30 52f

NOTICE OF hearing on proposed zoning change. Notice is hereby given to all parties concerned, that pursuant to Article 23 of Ordinance 1755 of the City of Granite City, Illinois, the City Plan Commission has held a public hearing at 2301 Adams of said City of Granite City, Illinois, at the hour of 1:15 p.m. on the 14th day of June, 1979, at which meeting it will consider a petition for the amendment of Ordinance 1755, (being the Zoning Ordinance of said City), as same affects the following-described real estate, to-wit: Lots 3, 4, 15, and 16 in Block 3 in E. G. Rode's Subdivision, as the same appears from plat based recorded in Plat Book 6 Page 57 in the Recorder's Office of Madison County, Illinois; and as vacated by Ordinance dated July 5, 1932 and recorded in the Recorder's Office of Madison County, Illinois by Book 675, Page 77, and commonly known as 3724 Nameoki Road, Granite City, Illinois. Said amendment would change the zoning classification of the real estate immediately above-described from an R-2 District to a C-1 (Commercial) District. This property is also known as 3724 Nameoki Rd. Robert Lambert, petitioner. 30 52f

IN LOVING memory of MICHAEL PATRICK KELLY. His message: Come to my Heavenly garden and see in perfect bloom the flowers you loved so dearly and thought that I plucked too soon. Then you will know my love for you. I am not missing; Why, in his promising manhood, I took your son and brother away. One whose life made a difference for all who knew him. All are better off because he lived. And this betterment is for always. It did not die with him. That is the true estimate of a Great Life. — Sadly missed by his family. 35 29f

IN MEMORY OF DOUGLAS DOYLE, May 29, 1977. Always loved and missed so deep within our hearts every day. Mom, Dad, Brother and Relatives. 35 29f

PICNIC IS UNDER WAY Vietnam era veterans and their families are invited to a free picnic in their honor under way at the Granite City Army Installation. The event includes presidential citations to be presented to outstanding veterans at 6:30 p.m. and activities until 9 tonight, including booths by 1945 veterans' organizations to explain benefits and jobs available.

THE end of the school year also marks the end of the Masque and Gavel Society at Granite City High School. North and nationally, it has been announced by Wayne Hubbard, sponsor for the North chapter. According to Mrs. Helen Green, national executive secretary of the group, the reasons for discontinuing the group are mainly financial. North students have been active in Masque and Gavel for six years. Dr. Connie Michaeloff, head of the speech department at the faculty and students at North regret the end of the organization. She said the department will join the Thespians at the beginning of the 1979-80 school year. The group did hold its annual banquet in the school cafeteria where awards were made and initiatives inducted. Masque and Gavel initiates are: Jim Bradley, George Busch, George Compton, Shari Christ, Carla Cunningham, Eric Disney, Mark Disney, Pamela Doeppke, Jennifer Evans, Anne Fuller, Lisa Heaton, Margaret Hefflin. Jennifer Herman, Jeff Joyce, Tina Kautz, Laurie Langbein, John Langbein, Lynda Loftus. Brian Tom Lucas, Mike McManery, Tracy Millard, Tami Palmer, Tina Parnham, Brian Patterson, Paul Schuler, Mayor.
